

Introducing our Alumni Board's Leprechaun

Bob Gorman, R'1952

Bob has served our board for many, many years; he has a sparkling wit, a lot of good common sense, and he keeps the ball rolling. Bob was Alumni Board president from 12/2/2004 through 12/4/2008. He wrote this motto for our board and it helps keep us on track during our discussions.

**"We honor the past,
we celebrate the present,
we plan for the future,together!!!"**
